Independent Auditors' Report

Report on the Financial Statements

We have audited the accompanying financial statements of Constitutional Rights Foundation of Orange County (a nonprofit organization), which comprise the statement of financial position as of June 30, 2017, and the related statements of activities and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Constitutional Rights Foundation of Orange County as of June 30, 2017, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Notes to Financial Statements

Year ended June 30, 2017

(1) Summary of Significant Accounting Policies

(a) Organization and Nature of Services

The Constitutional Rights Foundation of Orange County (the “Foundation”) is a nonprofit community-based organization which develops programs and materials to educate high school students located primarily in Orange County, California about the rights and responsibilities of effective citizenship and offers technical assistance and various other services in the subject areas of law and government, business and society, and civic participation. The Foundation is supported through the collection of school fees for participation in the Mock Trial Program, the collection of board of directors’ donations, contributions from private business organizations and individuals, and grants from private foundations.

(b) Basis of Accounting

The financial statements of the Foundation have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

(c) Financial Statement Presentation

The Foundation follows the financial statement presentation recommended by the Financial Accounting Standards Board (FASB) in its Auditing Standards Codification (ASC) 958-205, *Presentation of Financial Statements*. Under ASC 958-205, the Foundation is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

(d) Cash and Cash Equivalents

For purposes of the Statement of Cash Flows, the Foundation considers all unrestricted, highly liquid investments with a maturity of three months or less to be cash equivalents. Cash equivalents consist of various demand deposits and money market mutual funds. For fiscal year ended June 30, 2017, all cash and investments of the Foundation are considered to be cash and cash equivalents.

(e) Property and Equipment

The Foundation’s property and equipment are recorded at cost, or in the case of donated items, at estimated fair market value at the date of the gift. Maintenance and repairs are expensed when incurred and betterments are capitalized. Property and equipment are depreciated using the straight-line method over the estimated useful lives of three to six years. The Foundation capitalizes all assets valued at \$500 or greater.

(g) Donated Facilities, Materials, and Services

Donated facilities, materials, and other non-cash contributions are reflected in the accompanying statements at their estimated market values at date of receipt. Contributions of services are recognized if the services received create or enhance non-financial assets or require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation.

The Foundation received donated services from variety of unpaid volunteers assisting the Foundation in its program services and fundraising campaigns. No amounts for such donated services have been recognized in the accompanying financial statements since no objective basis is available to measure the value of such services. Contributed services requiring specific expertise are recognized in the accompanying financial statements.

(h) Restricted and Unrestricted Revenue and Support

The Foundation follows ASC 958-605, *Revenue Recognition*. In accordance with ASC 958-605, contributions received are recorded as unrestricted, temporarily restricted or permanently restricted support, depending on the existence and/or nature of any donor restrictions. Support that is restricted by the donor is reported as an increase in unrestricted net assets if the restriction expires in the reporting period in which the support is recognized. All other donor-restricted support is reported as an increase in temporarily or permanently restricted net assets, depending on the nature of the restriction. When a restriction expires (that is, when stipulated time restriction ends or purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and reported in the Statement of Activities as net assets released from restrictions. There were no temporarily restricted or permanently restricted balances as of June 30, 2017.
