# PROVIDING CIVIC EDUCATION TODAY FOR A STRONGER DEMOCRACY TOMORROW

MOCK TRIAL | PEER COURT | LAW DAY | ORANGE COUNTY CAREER FORUM | CONSTITUTION DAY

CRF-OC is a non-partisan, non-profit organization. Each year, we reach nearly 7,500 Orange County students and adult volunteers through our five innovative and engaging programs. We hope to add a new middle school moot court program this year. **CRF-OC is the only organization in Orange County providing these civic education programs, and we do so at no charge to participating students.** For over 38 years, we have provided crucial civic learning opportunities that promote an understanding of our democratic institutions and processes. Our programs help students acquire skills necessary to achieve success beyond high school and to prepare students to participate as informed citizens in our community.

Now, more than ever, it is critical to sustain our programs that promote the civic foundation of our democracy. **In a 2018 survey of 1,000 adults in the United States, only 32 percent could name all three branches of government: 33 percent could not name a single branch of the three branches of government.** Despite these statistics, civic education funding from all private foundations nationwide each year is less than the funding from a single foundation supporting STEM education.

We cannot achieve our mission without your support. Our funding comes almost entirely by donations from individuals, businesses and local charitable foundations. **The 2019 Annual Benefit is our only major fundraiser for the year and its success is vital to our ability to continue our amazing educational programs.**

This year we are proud to honor the following institutions and volunteers. Each has contributed to the success of our programs and our organization.
